## Scholarship Application

Liberty Eagle Academy's Scholarship Fund is largely funded by participation in the Georgia Student Scholarship Organization [GaSSO]. Our Scholarship Fund has also benefited from the generosity of local businesses. To apply for a scholarship, parents must complete all steps of the Scholarship Application process, enumerated below. The allocation of scholarships is dependent on many factors, including the following factors. In no particular order, the following are all considered:

- Preference is given to children already in good-standing at Liberty Eagle Academy
- Financial Need [Families are encouraged to submit a copy of the prior year's tax return and copies of parents' past two months' pay stubs. This is not strictly required, but these items may be helpful to demonstrate financial need.]
- Student Attendance Records [Perfect attendance is not required, but an excessive amount of unexcused absences and/or tardies is not ideal for the Montessori environment.]
- Parent-Involvement [if the student is transferring from a different school, the explanatory statement detailing desired parent involvement will be considered; if the student has attended LEA, past involvement will be considered as well.]
- Funds available in the Scholarship Fund
- Number of siblings family has enrolled at Liberty Eagle Academy
- Merit/Academic Excellence

### Scholarship Application Process

All of the steps below must be completed in order for your child to apply for a scholarship. Please contact the Directress, Courtney Hyde, if you have circumstances preventing the completion of any part of the process.

- New Families must first: Attend an Open House -OR- Tour Liberty Eagle Academy AND schedule a Meet-and-Greet with their child's Lead Teacher
- Submit completed Enrollment Packet [received at Open House or during the Tour]
- For Students applying for the Elementary Program: Submit 5 examples of student's work: 2 Math, 2 Language/Writing [Research and/or Essays preferred, but other examples welcome], and 1 completed assignment from any other subject [Geography, History, Art, Economics, etc.]
